Apply for exhibition period

NOTE! If you live and work as an artist outside of Sweden, we recommend that you primarily apply for our artist-in-residence program, as we do not cover travel or transport costs to or from Sweden.

Härke Konstcentrum shows art in two places: the gallery at Härke Artist Center, located on Frösön, and at Ahlbergshallen in Östersund. We are a non-profit and artist-driven association, which means that we are looking for grants to be able to conduct exhibition activities. Applications are accepted during a specific period, see below. We also handpick artists. The selection is made by a jury consisting of the Härke Konstcentrum board and a couple of members. See conditions at the bottom.

Open call
The application to exhibit at Ahlbergshallen or the gallery at Härke Konstcentrum is made during the period 1 - 31 October. The application concerns the exhibition period two years in advance. You can request a location, but it is the jury that allocates the premises. Notification will be given in January. Your application* should include: Presentation and CV including contact information and 5-10 images collected in 1 PDF of max. 10 MB. Name the PDF file with your name. Do not send separate images! Email the application to harke@harkekonstcentrum.se. Applications received outside the application period or that do not follow the instructions will not be considered.

Locations
Ahlbergshallen is owned by Östersund Municipality and is centrally located in the city. There are no employed staff, but the exhibition activities are run by two non-profit associations, of which Härke Konstcentrum is one of them. The premises are a total of 150 square meters and consist of three rooms on the top floor. At *Härke Konstcentrum*, which is located on Frösön, there is a gallery on the entrance floor and is 42 square meters large. Here we also have studios, a guest residence and a collective graphic workshop. Exhibiting artists are offered free accommodation here, during the construction period. The location can be reached by local buses
